### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: allowance of claims 1-14 is indicated because the prior art of record does not show or fairly suggest the claim as amended is directed to a multi head induction sealing unit having at least two induction heads, each includes at least two ferrite cores, wherein each ferrite core is structured and arranged to form a longitudinal channel-shaped core perpendicular to the workflow direction and at least one coil disposed inside the channel of each core to direct an electromagnetic field towards an object to be treated without making contact with the object.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tu Ba Hoang whose telephone number is (703) 308-3303. The examiner can normally be reached on Mon-Fri from 8:30AM to 5:00PM.

If attempts to reach the examiner by telephone are unsuccessful, Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
